Guest Speakers: Carmen Spiech

After completing an undergrad degree at the University of Manitoba Carmen went west, then east, then north, where she spent six years in a cabin on a lake just outside of Churchill. In 2008 Carmen moved to Québec where she earned a Master's Degree in Environmental Science studying berry shrub ecology in Baker Lake, Nunavut. Carmen currently lives in Winnipeg with her family and works part-time pushing non-fiction books and NFB films at the local library.
